

2022 Summer School Registration
June 21 – July 29, 2022
Summer School FOR PARACLETE STUDENTS ONLY.

ALL SUMMER SCHOOL COURSES WILL BE IN PERSON

Guidelines: The counselors are available to help students choose the most beneficial courses. **The signature of a counselor is required on this form.** There is no fee for summer courses. This year most classes will be Monday through Thursday. Most Summer courses are remedial—they are not a substitute for courses offered during the school year. Honors and AP Courses are not offered during the summer; unsatisfactory grades in those classes must be completed with regular classes. You will be notified if a course is canceled due to insufficient enrollment.
