

## ATHLETIC CLEARANCE STATUS EXPLAINED

### Clear

Student-athlete is cleared to compete in all sports selected \*

### Set To Pending Approval

Student-athlete is not cleared for any participation – application has not been cleared yet

### Deny

Student-athlete is not cleared for any participation – something is missing or is wrong on the application; email was sent noting the issue(s)

Possible reasons include:

- missing or incorrect paperwork (uploaded/hard copy)
- missing signature(s)
- enrollment issue
- academic eligibility

### Practice Only

Student-athlete may only practice/may not play in season games

Possible reasons include:

- transfer paperwork missing
- CIF decision pending
- SOP is active for that athlete

### Cut

Student-athlete did not make or has been removed from a team

\*Student-athletes must go in and add new sports if not originally selected; they will need to get cleared for those at that time. Best to select all considering to save wait times later.
