

October 21, 2016

Dear Parents,

Congratulations on your daughter being selected to the Girls Soccer Program for the 2016-2017 season. As a member of the Girls Soccer Program they are offered the opportunity for great personal growth, individual responsibility, leadership development and involvement in many different and exciting activities.

To be an effective member of this team, parents, players and coaches must commit a great deal of time throughout the school year. The coaches depend on the support of the parents in order to provide the best training for the players; your kids will be thrilled that you are helping.

We will have a parent meeting Thursday October 27, 2016 at 7 pm in the Paraclete Library.

I will need parental involvement to adequately support our program and look forward to meeting all of the parents and working closely together to increase the success of the Paraclete Girls Soccer Program.

All parents will be required to participate in some fashion, we will have a mandatory parent meeting in the next few weeks and sign ups (or assignments) will be discussed. Some of the items include:

- Transportation
- Fundraising
- Uniform prep and organization
- Team Dinners
- Banquet Duties
- And many more

We are scheduled for our annual Flapjack Fundraiser at Applebee's Restaurant (Tickets) in early January on a Saturday or Sunday. A separate fundraising flyer, with required participation, more details, will be sent home in early December.

Schedules, both training and game, rosters and additional information are accessible and updated via the Paraclete High School Website, www.paracletehs.org, under girls soccer

Best Regards,
Tracey Hill
