

High Desert Soccer Camp

The purpose of these camps are to provide a competitive training environment for the High School and College bound player. Training and playing sessions will be designed to increase the player's readiness for High School and College competition. Players will be trained by College, Club, and High School Coach's in the following disciplines:

-TechnicalMastery	- Tactical Understanding	-Training habits
-Speedtraining	- Ballagility training	- Competitiveness

A great opportunity for Antelope Valley Soccer players to be seen, get instruction and evaluation from College Coaches. This camp is a must for players trying to play at the next level.
