

2017 Paraclete Baseball

To: Parents and Players of the 2017 Baseball Season Mandatory

Subject: Fundraising Deadline is Thursday February 23, 2017

Thank you all so much for the support you give to our baseball program, here at Paraclete High School. I can't begin to say how excited I am to help organize fundraising for the incoming players, as well as all of our returning baseball players.

Each year we all get together in several ways to better the baseball program. Besides our field maintenance day, in which we get the fields ready for the upcoming season, there is another event that we rely on. This event is a fundraiser in which the players, as well as the parents, help make the difference we need to become successful.

There are so many things the program needs. We have a goal to raise the funds each year to better our baseball program. We have made many upgrades in the past year, but we still need more field upgrades and maintenance.

This is the players' baseball program. We would like the players to help make it successful from the ground up. The players will be required to raise money thru our annual fundraiser. This is done by selling a sponsor sign for \$250.00. If they already have a sponsor, great! The cost for the sponsor to renew their sign is only \$125.00! Family members can also sponsor their player. You can also choose to buy out for \$75.00.

This year to ease the financial impact of the Spirit Pack, each sign that a player sells will earn him a \$50 credit towards his spirit pack.

All funds are due no later than Thursday February 23rd. No player will be allowed to participate in any games this season until a sign or buyout has been purchased.

If you have any questions regarding signs please feel free to contact, Cathy Csulak, at 661 400 4528 or cathycsulak@gmail.com or contact myself regarding other issues.

Thank you so very much and God Bless!

Coach Burnias
